REPORT OF THE SELECTMEN AND TOWN MANAGER

The financial position of the town for the fiscal year 1959 is very sound. There was a net budget surplus of $33,062.51, but this surplus includes accounts receivable. As of December 31, 1959 there was no cash surplus.

This year the budget is about 3% more than in 1959. Increased costs of operation and the demand for more services do not seem to cease. Serious consideration is being given to the developing of two budgets for 1961. One would be an economy budget which would maintain the physical property of the town in first class condition, but cut services. The other would be a budget based on retaining present services.

It is the Manager's opinion that the responsibility for the cost of town government must rest directly upon the shoulders of the public at town meeting. The Selectmen, Manager, and department heads are available to present technical data and estimates of costs, but the voters should make the final decision as to whether the services are worth the increased taxes.

PROCEEDINGS OF THE ANNUAL TOWN MEETING

MARCH 10, 1959

The Annual Town Meeting, March 10, 1959 was held at the Hampton Academy Junior High School Auditorium. The meeting was opened by Moderator Edward S. Seavey Jr. at 10:00 A. M.

The following Ballot Clerks were sworn in

Raymond Sturgis, Assistant Moderator

Henry Bailey	Ruth Simons
Clarence Shaw	Barbara Barker
Solon Gremmels	Helen Mullin
Lena Emery	Dorothy Murphy
Clara Gale	Ethel Hamilton

Eleanor Dennett

Selectman Donald A. Ring moved that the Polls be closed at 6 P. M. Following objection by Wilfred Cunningham the motion was withdrawn, and Mr. Ring made the motion that the Polls remain open until 8 P. M.

Seconded, and So Voted.

Rev. Dwight Blakeslee, Vicar of Trinity Episcopal Church, offered Prayer.

The Moderator requested that visitors sit at the side of the Auditorium in seats designated, and also asked that no demonstrations be made during the meeting.

A "motion to reconsider" will be accepted only immediately after a vote, and before any other business has been transacted.

Selectman Lawrence C. Hackett moved that the reading of the entire warrant be waived as it had been published according to law. Seconded. So Voted.

Town Manager John P. Batchelder said that if the

Recommended Budget was voted the increase in Tax Rate would be approximately $4.40.

Permission was granted for Mr. Herman Cohen, Attorney working with the Marsh Reclamation Committee to speak at this time, as he could not remain at Town Meeting. Mr. Cohen has been drafting legislation to make possible the "Town of Hampton Marsh Reclamation Authority." This would consist of five members chosen by the Selectmen. They would supervise and direct the reclamation of the Marsh Area within specified boundaries, with the aid of engineers. The Planning Board will be consulted, and the Selectmen will approve or disapprove the final plan submitted.

The Selectmen, Planning Board and Authority will then work to acquire property, do necessary work to plan streets, water-ways, parking and recreational areas.

Owners of property in this section will have the opportunity to re-acquire land before anyone else. The Function of the Authority will be to Aid Private Enterprise.

1. Land must be acquired.

2. Land disposed of under restrictions of Zoning and sound development practise.

Formula:

1. Fairness will be insured by giving preference for acquisition of land to former owners after facilities have been installed. This would be in a proportionately equal amount to that previously owned.

2. Preference will next be given to Hampton Town's people at a suitable price.
   (Residenial property not to be leased or rented)

3. Residents of the State of New Hampshire.

4. General Public.

Provision: An owner may develope his own property under the terms of the Authority, but it must be in accordance with the over-all plan.

5. The Authority makes provision for the mechanics of development such as utilities, streets, water, and acquisition of land. Bonds would be issued to finance the project and the Authority would be self-sustaining.

Mr. Robert Bridle asked if these bonds would affect the borrowing power of the Town of Hampton and was assured that they would not.
Miss Ruth Stimson asked if any portion of the proposed area was to be used as a Wild Life Preserve, and thought that the Town should go on record as favoring such a plan.

Mr. Hubbard stated that the proposed plans were only a beginning and it should not be assumed that this could not be a part of the Authority plan.
Mr. Joiner asked if there is any plan to present provisions to the Town for approval. Answer: Public hearing required.

ARTICLES 1 AND 2 ON AUSTRALIAN BALLOT
ARTICLE 3
BUDGET

Mr. Carl Lougee, Chairman of the Municipal Budget Committee gave the following report:

To The Hampton Town Meeting:

The gross budget recommended by the Municipal Budget Committee for the ensuing year is $501,572.00. This is $18,942.00 more than the 1958 approved budget. This results in a figure of $391,917.79 to be raised by property taxes.

The Budget Committee held three Executive Sessions and two Public Hearings in preparing its recommendations for this Town Budget. The completed budget has been published in the Hampton Union as well as the Hampton Town Report, and posted as required by law.

Articles No. 16 and No. 17 concern an appropriation of money and these two articles have been recommended by the Budget Committee and the amounts are included in the gross budget total mentioned above.

If you will kindly turn to page 36 of the Town Report I shall briefly explain each item in the third column as recommended by the Budget Committee.

We would like to express at this time our appreciation for the complete cooperation that we have had from the Board of Selectmen, Town Manager and Department Heads during the preparation of this budget.

Respectfully submitted,
Carl M. Lougee, Chairman
Municipal Budget Committee

In reply to a question from Mrs. Margaret Wingate as to location of Sewer systems, Town Mgr. John Batchelder said that the Proposed installation of Sewer systems were Leavitt Road, Ann's Lane across to Blake Lane, and Philbrook Terrace. The amount of money requested of the Budget Committee is to cover these three projects. He also said there was to be an increase in prices at the Comfort Station.

Mr. Douglass Hunter made the motion that the sum of $487,572.00 be raised and appropriated for Town purposes. Seconded. So Voted.

(Note: This amount is recommended budget less $2500. for Article 16, and $11,500. for Article 17 which will be voted upon later)

ARTICLE 4
BORROWING MONEY IN ANTICIPATION OF TAXES

Mr. Robert Bridle moved that Article 4 be accepted as read. Seconded. So voted.

ARTICLE 5
DISPOSAL OF REAL ESTATE BY TAX DEED

Mr. Franklin Brittan asked where lists of property to be sold for taxes were posted. Selectman Donald A. Ring replied — The Post Office, and the Town Offices.

Mr. Wilfred Cunningham made the motion that Article 5 be accepted as read. Seconded. So Voted.

ARTICLE 6
STORM DRAIN FOR ASHWORTH AVENUE

No money for purposes of this Article recommended by Budget Committee. Article indefinitely postponed.

ARTICLE 7
SANITARY SEWER SYSTEM FOR HOBSON AVE.

Money for this article not recommended by Budget Committee. Moved and seconded that this article be indefinitely postponed. So Voted.

Much discussion on the subject of Sewer extension. Mr. Bridle felt that the North Shore area should receive consideration as the sewage situation there has been very bad since 1946.

Town Manager Batchelder said that there were definite plans for public sewer extension to that locality. The line being built from the Main Plant to Winnacunnet Road is the beginning of the line to the North Shore area.

Mr. Douglass Hunter (Rep.) said that there is at present a Bill before the legislature to make available State funds for 'aid to polution.' It may be possible in the near future to obtain as high as 20% of the cost of a Sanitary Sewer System to the North Shore. The Federal Government will aid to the amount of 30%.

It was explained that the sum of $45,000.00 had been recommended by the Budget Committee for Sewer Projects but no special articles recommended.

Question was asked "If the meeting voted for an article with no money recommended, — could the money be found to carry on the project?"

Moderator stated that an indefinitely postponed article cannot be voted upon again whether the money could be found or not.

Mr. Kenneth Langley asked how an article should be handled if the money for the project is included in the Budget. Reply: Article should or could be adopted without any specific sum of money.

Representative Douglass Hunter explained the drainage problem on Ashworth Ave., particularly near the parking area, and made the motion that Article 6 be reconsidered. No second to motion.

Question: Why were the proposals contained in Articles that were indefinitely postponed—carried out in opposition to vote of Town Meeting.

Chairman Hackett said that the work on Ann's Lane did not cost as much as anticipated. Due to the low water table at lower end of Leavitt Road (which would make work there less expensive) the remainder of money was used in that section which badly needed sewer and drainage. The Selectmen do not do things arbitrarily but try to use money where it is most needed.

Mr. Raymond Garland said that he thought that money appropriated for a specific project should be used for that purpose or returned to lower the tax rate the following year.

Mr. Roland Paige inquired about the responsibility of the State in regard to drains and culverts at the side of State Roads. He said that either the State should

be forced to fix the drains or the Town should do the work.

Selectman Hackett said that the State took over the responsibility of hot-topping the road but not the drainage.

Town Manager Batchelder stated that there was $3,000. in the Budget for drainage. $2,000. for Tuck Field area and $1,000. for Philbrook Terrace. Of the $45,000.00 appropriated for Sewers it is planned to use $16,000.00 for Leavitt Road, $9,000.00 for Blake Lane, and $5,000.00 for Philbrook Terrace.

Mr. Willard Emery expressed the opinion that the people who develop housing areas should build their own streets.

Mr. Raymond Garland asked why the new developments in Hampton received all the attention when the older streets needed storm drains.

Selectman Hackett said that the Town had recently obtained a street sweeper which was government surplus, and all Town equipment is stored in one place and properly cared for. The Town Manager and Selectmen should receive credit for trying to serve the town.

Moderator Seavey announced that refreshments were on sale in the lobby for the noon recess.

Motion was made and seconded to recess the meeting until 1:15 P. M. Seconded. So Voted.

The Meeting re-convened at 1:15 P. M.

(Note) $3,000.00 allowed in Budget for drainage. $1,-000.00 Philbrook Terr. $2,000.00 Tuck Field.

There was discussion about transferring funds from one Dept. to another when need arises.

Mr. W. Cunningham expressed the opinion that the Selectmen should have the confidence of the people and that they should be allowed a little latitude in handling the town money.

Judge Perkins stated that funds may be transferred from one department or project to another, if the amount does not exceed the total appropriation, but funds may not be used for a new purpose that has not been voted.

Mrs. Wingate's amendment was voted down.

Mr. Douglas' motion on Article 13 was seconded, and So Voted.

Mr. Robert Bridle offered the Resolution that the Town Clerk's records of Town Meetings be included in the Town Report so that an intelligent appraisal can be made of Town Business and the Budget can be more easily understood. Approved by meeting.

Mr. William Elliot submitted the following resolution:

That it is the sense of this meeting that the 1960 town meeting should be adjourned immediately after opening to 10 A. M. of the Saturday next following the Town Meeting Day as specified in the Statutes, for the purpose of transacting all business of the Town Meeting other than the election of town officers, said officers to be elected by ballot on the regular Town Meeting Day.

The purpose of this resolution being that it will give more citizens an opportunity to express their opinion and vote upon issues vital to themselves and the welfare of the town. It is recommended that upon passage of this resolution the Selectmen be requested before the 1960 Town Meeting to give sufficient notice and publicity of the adoption of this resolution.

Mrs. M. Wingate suggested that the Town Meeting be held in the evening of Town Meeting Day (Tuesday).

Judge Perkins stated that if Town Meeting were to be changed there should be an article in the Warrant and it should be voted before being changed.

Estimated sense of assembly here present—approval. Note: Votes of approval not legally binding.

She also asked the status of the Case determining the legality of the "99 Year Lease."

Mrs. Harriet Harris offered a resolution that: A moment of Meditation in memory of Mr. Leroy Hamilton be observed because of his interest and activity at former Town Meetings. This was done.

In this vicinity two area meetings have been held, one in the spring and one in the fall. The spring meeting was held in our Library on the evening of March 26, with Librarians and Trustees from the fifteen libraries in this area in attendance. Many books were on exhibit, the talk being on "Books In General". At the close of the meeting refreshments were served by the Trustees and Library Staff.

The fall meeting, which my assistant and I attended, was held at the North Hampton Library with a display of outstanding reference books. The subject for discussion, "Reference Books For Your Library", was

ably presented by Miss Margery Stroud, of the State Library. Refreshments were served by the Trustees and Library Staff of the North Hampton Library.

After the close of the fall series of neighborhood meetings, reference books were distributed by the State Library to those librarians who attended the meetings. The book we received is entitled, "Standard Book For Secretaries" by Lois Hutchinson, a useful addition to our collection. Our own addition to reference books is the Americana Encyclopedia, placed in the study room.

National Library Week was observed in March with the display of the poster, "Wake Up and Read", exhibition of Adult books and bookmarks distributed to the children.

"Go Exploring In Books" was the theme of Children's Book Week, which was celebrated November 1 to 7. The Poster by Fedor Rojankovsky showed his own daughter's interest in reading.

The lighted Christmas tree this year was provided by the Library Staff. The unique small Christmas tree, made of 150 pine cones and decorated with many colored balls was made by Mrs. Harry Parr, and placed in the Library during the Holiday Season. The wreath on the door was donated as usual by the Garden Club. The Dried Flower arrangement was given to the Library by Mrs. Louise Batchelder. Other arrangements have been provided by Miss Ruth Stimson for the Garden Club.

The Art Exhibit has been varied and of much interest to the public. Descriptions of these have

appeared in the Hampton Union. Mr. Arthur Johnson is to be highly commended for his work on the Art Committee for the past two years. Miss Leota Whitcomb is to have charge for the coming year.

The names of many new families have been added to the list of Library Patrons.
